Hi all,

I'll be joining tomorrow's FWWAG community meeting. Demetri have you gotten any indication that the crowd will be larger than usual due to the Nav Center?

Thanks again,

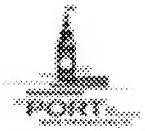

RQ

Hi Randy,

I'm looping Demetri in on this e-mail as he's now handling the Fisherman's Wharf area. Rip is now responsible for Piers 1-35; Kent, Pier ½ south to Pier 40.

Hi Rip and Kent,

Hope all is well!

Writing to check-in on next week's FWWAG meeting. Emily Cohen from the Mayor's office will join to present to the group about the City's proposal for a SAFE Navigation Center on SWL 330. I understand the meeting will be at 9 at Scoma's? Is that right? Should she get there right at 9 or perhaps later? Not sure what the agenda is for next week.

Thanks,  
RQ
